III. RECOMMENDATIONS OF THE SPECIAL POLITICAL AND DECOLONIZATION COMMITTEE (FOURTH COMMITTEE)

11. The Special Political and Decolonization Committee (Fourth Committee) recommends to the General Assembly the adoption of the following draft resolution:

Activities of foreign economic and other interests which impede the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples in Territories under colonial domination

The General Assembly,

Having considered the item entitled "Activities of foreign economic and other interests which impede the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples in Territories under colonial domination",

Having examined the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to the item, 6/

Recalling its resolution 1514 (XV) of 14 December 1960, as well as all its other relevant resolutions, including, in particular, resolution 46/181 of 19 December 1991, endorsing the plan of action for the International Decade for the Eradication of Colonialism, 7/

Reaffirming the solemn obligation of the administering Powers under the Charter of the United Nations to promote the political, economic, social and educational advancement of the inhabitants of the Territories under their administration and to protect the human and natural resources of those Territories against abuses,

---

6/ A/50/23 (Part III), chap. V.

7/ See A/46/634/Rev.1 and Corr.1.

Reaffirming also that any economic or other activity that constitutes an obstacle to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and obstructs efforts aimed at the elimination of colonialism is a direct violation of the rights of the inhabitants and of the principles of the Charter and all relevant resolutions of the United Nations,

Reaffirming further that the natural resources are the heritage of the indigenous populations of the colonial and Non-Self-Governing Territories,

Aware of the special circumstances of the geographical location, size and economic conditions of each Territory and bearing in mind the need to promote economic stability, diversification and strengthening of the respective economy of each Territory,

Conscious of the particular vulnerability of the small Territories to natural disasters and environmental degradation,

Conscious also that foreign economic investment when done in collaboration with the peoples of the Non-Self-Governing Territories and in accordance with their wishes could make a valid contribution to the socio-economic development of the Territories and could also make a valid contribution to the exercise of their rights to self-determination,

Concerned about the activities of those foreign economic, financial and other interests which exploit the natural and human resources of the Non-Self-Governing Territories to the detriment of the interests of the inhabitants of those Territories and deprive them of their right to control the wealth of their countries,

Bearing in mind the relevant provisions of the final documents of the successive Conferences of Heads of State or Government of Non-Aligned Countries and of the resolutions adopted by the Assembly of Heads of State and Government of the Organization of African Unity, the South Pacific Forum and the Caribbean Community,

1. Reaffirms the inalienable right of the peoples of colonial and Non-Self-Governing Territories to self-determination and independence and to the enjoyment of the natural resources of their Territories, as well as their right to dispose of those resources in their best interests;

2. Affirms the value of foreign economic investment undertaken in collaboration with the people of the Non-Self-Governing Territories and in accordance with their wishes in order to make a valid contribution to the socio-economic development of the Territories;

3. Reiterates that any administering Power that deprives the colonial peoples of Non-Self-Governing Territories of the exercise of their legitimate rights over their natural resources or subordinates the rights and interests of those peoples to foreign economic and financial interests, violates the solemn obligations it has assumed under the Charter of the United Nations;

4. Reaffirms its concern about the activities of those foreign economic, financial and other interests which continue to exploit the natural resources that are the heritage of the indigenous populations of the colonial and Non-Self-Governing Territories in the Caribbean, the Pacific and other regions, as well as their human resources, to the detriment of their interests, thus depriving them of their right to control the resources of their Territories and impeding the realization by those peoples of their legitimate aspirations for self-determination and independence;

5. Reiterates its deep concerns about those activities of foreign economic and other interests in the colonial and Non-Self-Governing Territories which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in its resolution 1514 (XV), and the efforts to eliminate colonialism;

6. Calls once again upon all Governments that have not yet done so to take, in accordance with the relevant provisions of its resolution 2621 (XXV) of 12 October 1970, legislative, administrative or other measures in respect of their nationals and the bodies corporate under their jurisdiction, if any, that own and operate enterprises in colonial and Non-Self-Governing Territories that are detrimental to the interests of the inhabitants of those Territories, in order to put an end to such practices and to prevent new investments that run counter to the interests of the inhabitants of those Territories;

7. Reiterates that the damaging exploitation and plundering of the marine and other natural resources of colonial and Non-Self-Governing Territories by foreign economic interests, in violation of the relevant resolutions of the United Nations, is a threat to the integrity and prosperity of those Territories;

8. Invites all Governments and organizations of the United Nations system to ensure that the permanent sovereignty of the peoples of colonial and Non-Self-Governing Territories over their natural resources is fully respected and safeguarded;

9. Urges the administering Powers concerned to continue to take effective measures to safeguard and guarantee the inalienable right of the peoples of the colonial and Non-Self-Governing Territories to their natural resources and to establish and maintain control over the future development of those resources, and requests the administering Powers to continue to take all necessary steps to protect the property rights of the peoples of those Territories;

10. Calls upon the administering Powers concerned to ensure that no discriminatory working conditions prevail in the Territories under their administration and to promote in each Territory a fair system of wages applicable to all the inhabitants without any discrimination;

11. Requests the Secretary-General to continue, through all means at his disposal, to inform world public opinion of those activities of foreign economic and other interests which impede the implementation of the Declaration;

12. Appeals to the mass media, trade unions and non-governmental organizations, as well as individuals, to continue their efforts for the full implementation of the Declaration;

13. Decides to continue to follow the situation in the colonial and Non-Self-Governing Territories so as to ensure that all economic activities in those Territories are aimed at strengthening and diversifying their economies in the interest of the indigenous peoples and at promoting the economic and financial viability of those Territories, in order to facilitate and accelerate the exercise by the peoples of those Territories of their right to self-determination and independence;

14. Requests the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples to continue to examine this question and to report thereon to the General Assembly at its fifty-first session.

. . .

12. The Special Political and Decolonization Committee (Fourth Committee) also recommends to the General Assembly the adoption of the following draft decision:

Military activities and arrangements by colonial Powers in Territories under their administration

1. The General Assembly, having considered the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to an item on the agenda of the Special Committee entitled "Military activities and arrangements by colonial Powers in Territories under their administration", 8/ and recalling its resolution 1514 (XV) of 14 December 1960 and all other relevant resolutions and decisions of the United Nations relating to military activities in colonial and Non-Self-Governing Territories, reaffirms its strong conviction that military bases and installations in the Territories concerned could constitute an obstacle to the exercise by the people of those Territories of their right to self-determination, and reiterates its strong views that existing bases and installations, which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, should be withdrawn.

2. Aware of the presence of such bases and installations in some of those Territories, the General Assembly urges the administering Powers concerned to continue to take all necessary measures not to involve those Territories in any offensive acts or interference against other States.

3. The General Assembly reiterates its concern that military activities and arrangements by colonial Powers in Territories under their administration might run counter to the rights and interests of the colonial peoples concerned,

8/ A/50/23 (Part III), chap. VI.

especially their right to self-determination and independence. The Assembly once again calls upon the administering Powers concerned to terminate such activities and to eliminate such military bases in compliance with its relevant resolutions.

4. The General Assembly reiterates that the colonial and Non-Self-Governing Territories and areas adjacent thereto should not be used for nuclear testing, dumping of nuclear wastes or deployment of nuclear and other weapons of mass destruction.

5. The General Assembly deplores the continued alienation of land in colonial and Non-Self-Governing Territories, particularly in the small island Territories of the Pacific and Caribbean regions, for military installations. The large-scale utilization of the local resources for this purpose could adversely affect the economic development of the Territories concerned.

6. The General Assembly takes note of the decision of some of the administering Powers to close or downsize some of those military bases in the Non-Self-Governing Territories.

7. The General Assembly requests the Secretary-General to continue to inform world public opinion of those military activities and arrangements in colonial and Non-Self-Governing Territories which constitute an obstacle to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples.

8. The General Assembly requests the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples to continue to examine this question and to report thereon to the Assembly at its fifty-first session.
